

# Rotorua & Taupo Pricing Schedule

Valid from 1 April 2016

What you pay for power is made up of charges from a number of companies, including the generator, your local lines company, the company that provides the meter on your house, and your retailer (that's us!). The Electricity Authority also charges you a levy and the government adds GST.

You can see each company's charges in the tables below. Flick passes on everyone else's costs to you at the wholesale price, without any mark-up.

## Uncontrolled

### Residential Uncontrolled

I have a single meter (or register), and I have electric hot water which is not controlled, or I have gas hot water
